

## Wine, Teamwork and Authentic Rheingau Experiences

**Region:** Rheingau, Kloster Eberbach

**Participants:** 10 — 150 | **Duration:** 3 - 6 h | **Price:** from 79 € pp plus 19% VAT

The Rheingau is internationally renowned for its vineyards, historic wineries and outstanding wines. Our Wine & Winery Team Challenge combines these unique regional highlights with engaging team-building activities and unforgettable shared experiences. Participants immerse themselves in the traditions of local winemaking while solving challenges, discovering hidden clues and strengthening cooperation throughout the day.

This experience takes place in one of the charming wine villages of the Rheingau region, creating the perfect backdrop for a memorable corporate event.

Equipped with challenge materials and guided by experienced facilitators, teams explore the village, vineyards and winery surroundings while completing a variety of interactive tasks. Along the way, participants discover fascinating insights into wine production, regional traditions and the history of one of Germany's most famous wine regions. Throughout the event, teams face challenges that encourage communication, strategic thinking and collaboration. Some tasks require creativity, others demand observation skills, problem-solving abilities or a good sense of humour. Optional wine-tasting elements can be integrated into the programme, allowing participants to refine their senses and learn more about local grape varieties, production methods and tasting techniques.

The combination of local culture, outdoor activities and team challenges creates an engaging experience that is equally suitable for company outings, incentive programmes and corporate retreats.

The day can conclude with a winery visit, a guided tasting session or a relaxed dinner featuring regional specialties and award-winning Rheingau wines.

### Why Choose a Wine-Themed Team Event?

Wine brings people together. Combined with team challenges and shared experiences, it creates an enjoyable atmosphere that encourages communication, collaboration and relationship building. The event combines learning, entertainment and team development in a relaxed and authentic environment.
