Step into a unique team experience on wheels. Our Oldtimer Classic Bus Tour combines relaxed travel, scenic discovery and shared moments in one unforgettable journey through the Rhine Valley. Surrounded by vineyards, historic castles and charming villages, your team experiences the region from a completely new perspective. This event is ideal for teams who want to combine comfort, culture and connection.

“Oldies but Goodies” sets the tone for this special team journey. Your group travels in a beautifully restored vintage bus through the Rhine Valley and Rheingau region. Along the route, the driver makes stops at selected highlights such as monasteries, castles, monuments and panoramic viewpoints. If desired, the tour can also include special off-route stops, for example for short team activities, scenic breaks or wine tasting experiences at regional wineries. The journey is flexible and can be adapted to your team’s interests and schedule. Whether you prefer a relaxed sightseeing tour or a more interactive programme with small team challenges, the experience is fully customisable.

Throughout the day, your team enjoys time together without pressure – talking, laughing, discovering and sharing experiences in a relaxed environment.

To conclude the journey, teams can enjoy a cosy get-together at a traditional restaurant or winery. Food, drinks and regional hospitality create the perfect ending to a memorable day.
